## Economic and Human Development Indicators

|                                     |  | Orissa         | India          |
|-------------------------------------|--|----------------|----------------|
| <b>Demographic Indicators</b>       |  | <b>2011</b>    | <b>2011</b>    |
| 1                                   | Total Population (In Millions)                                       | 42             | 1210           |
| 2                                   | % contribution to national population                                | 3.47           | 100            |
| 3                                   | Sex Ratio (females per 1000 males)                                   | 978            | 940            |
| 4                                   | Under 6 sex ratio (females per 1000 males)                           | 934            | 914            |
| <b>Economic Indicators</b>          |  | <b>2009-10</b> | <b>2009-10</b> |
| 5                                   | Net domestic Product (at factor cost) (Rs crores) (For state)        | 97359          | 4493743        |
|                                     | Gross Domestic Product (at factor cost) (Rs crores) (For India)      |                |                |
| 6                                   | Contribution of Agriculture to NSDP/GDP (%)                          | 21.05          | 14.62          |
| 7                                   | Contribution of Industry to NSDP/GDP (%)                             | 17.28          | 20.16          |
| 8                                   | Contribution of Services to NSDP/GDP (%)                             | 61.66          | 65.22          |
| 9                                   | Per Capita Net State Domestic Product (factor cost) (Rs) (for State) | 24098          | 33731          |
|                                     | Per Capita Net National Product (factor cost) (Rs) (For India)       |                |                |
| 10                                  | NDP Growth rate (%) (for State)                                      | 8.48           | 8              |
|                                     | GDP Growth Rate (%) (For India)                                      |                |                |
| <b>Human Development Indicators</b> |  | <b>2007-08</b> | <b>2007-08</b> |
| 11                                  | Human Development Index Value (HDI)                                  | 0.362          | 0.467          |
| 12                                  | HDI Rank (out of 23)   | 22             |                |
|                                     |  | <b>2006</b>    | <b>2006</b>    |
| 13                                  | Gender Related Development Index (GDI)                               | 0.524          | 0.590          |
| 14                                  | GDI Rank (out of 35)   | 32             | 122            |
| 15                                  | Gender Empowerment Measure (GEM)                                     | 0.393          | 0.497          |
| 16                                  | GEM Rank (out of 35)   | 29             |                |

|                                     |  | Orissa      | India        |
|-------------------------------------|--|-------------|--------------|
| <b>Human Development Indicators</b> |  | <b>2011</b> | <b>2011*</b> |
| 17                                  | Inequality Adjusted Human Development Index Value (IHDI)     | 0.296       | 0.343        |
| 18                                  | Inequality Adjusted Human Development Index Rank (out of 19) | 17          |              |
| 19                                  | Loss in HDI due to Inequalities (%)                          | 33.11       | 32           |
| 20                                  | Literacy Rate (%)  | 73.45       | 74.04        |
| 21                                  | Male Literacy Rate (%)                                       | 82.40       | 82.14        |
| 22                                  | Female Literacy Rate (%)                                     | 64.36       | 65.46        |

\* Value differs from India IHDI in Global HDR due to different data sources.

|                                      |  | 2009-10        | 2009-10        |
|--------------------------------------|--|----------------|----------------|
| <b>Poverty and Hunger Indicators</b> |  | <b>2009-10</b> | <b>2009-10</b> |
| 23                                   | Poverty Headcount Ratio (%)                                | 37             | 29.8           |
| 24                                   | Total number of poor (in millions)                         | 15.32          | 354.68         |
|                                      |  | <b>2005</b>    | <b>2005</b>    |
| 25                                   | Multidimensional Poverty Index (MPI)                       | 0.339          | 0.283          |
| 26                                   | Multidimensional Poverty Headcount (%)                     | 63.2           | 53.7           |
| 27                                   | Number of Multidimensional Poor (in millions)              | 26.5           | 612            |
|                                      |  | <b>2007</b>    | <b>2007</b>    |
| 28                                   | Global Hunger Index (GHI)                                  | 23.8           | 23.3           |
| 29                                   | GHI Rank ( out of 17)                                      | 12             |                |
|                                      |  | <b>2005-06</b> | <b>2005-06</b> |
| 30                                   | Prevalence of calorie undernourishment (%)                 | 21.4           | 20             |
| 31                                   | Prevalence of Underweight Children under 5 years of age(%) | 40.9           | 42.5           |
