

Advanced Certificate in Public Procurement - Level 3

Accredited by CIPS – Level 3

Programme Aim

The aim of this course is to provide participants with a clear understanding of:

- **Advanced Procurement Planning**
To develop the capacity to manage the planning processes associated with the procurement of goods, services and works
- **Communication and Negotiation Skills**
To improve the communication, negotiation and personal professional development skills required by those involved in advanced level procurement
- **Advanced Contract Management**
To manage the evaluation, contract development, and contract administration process associated with advanced level procurement

Learning outcomes:

By the end of the programme participants will be able to:

- Develop procurement strategies providing best fit to specific procurement requirements
- Apply systematic risk assessment and management processes to procurement activities
- Develop and review specifications
- Understand how to apply sustainable and green procurement principles and policies
- Conduct supplier research and market analysis
- Apply issues related to supplier development, supply alliances and supply chain management
- Apply advanced offer evaluation methods
- Conduct efficient cost and financial risk analysis
- Execute effective contract development and management processes
- Communicate effectively with clients, suppliers and other stakeholders

- Apply the principles of conflict management
- Communicate, counsel, and negotiate effectively
