

Regional Planning Meeting Agenda Developing Surge Capacity for Early Recovery

Amari Watergate Hotel, Bangkok, Thailand: March 30-31, 2006

DAY 1: THURSDAY, MARCH 30: SITUATION ANALYSIS

Time	Topic	Lead Person/s
0900-0930	Session 1: Introduction and Objectives	Nescha Teckle Peter Collier Participants
Session 2: Post-Disaster Recovery and Concepts on Regional Surge Capacity Objectives: 1. Shared understanding of early recovery 2. Clarified UNDP's roles in early recovery at global and country level 3. Identified requirements for surge capacity from a global perspective		
0930-1015	<u>The concept of early recovery</u> Presentation & discussion of key concepts	Jennifer Worrell (tbc) Angelika Planitz Hossein Kalali
1015-1130 (with break)	<u>UNDP's roles in early recovery with respect to:</u> <ul style="list-style-type: none"> ▪ The IASC Humanitarian Cluster Approach ▪ The International Recovery Platform ▪ Supporting in-country early recovery efforts (cluster leadership, early recovery needs assessments, early recovery planning and strategy frameworks, resource mobilization, programme implementation and monitoring) 	
1130-1220	Discussion: <ul style="list-style-type: none"> ▪ What surge capacity is required for UNDP to be able to assume the above roles effectively? 	
1220-1230	Session Summary	Angelika Planitz
1230-1330	Lunch	
Session 3: Presentation of participants' experiences and discussion of UNDP involvement in early recovery in recent major disasters Objectives: 1. Review UNDP's actual roles in recent major disasters 2. Identify UNDP's niche sectors in early recovery in recent major disasters 3. List key challenges the COs faced in their early recovery efforts after major disaster events 4. Discuss enabling and hindering factors that influence performance of UNDP in recent major disasters		
Time	Topic	Lead Person/s
1330-1700 (with break)	Presentations (10-15 minutes each) Actual list to be confirmed Tsunami affected countries <ul style="list-style-type: none"> ○ Thailand ○ Indonesia ○ Sri Lanka ○ India ○ Maldives 	Hakan Bjorkman George Conway Sanaka Samarasinha Tbc Tbc

	No tsunami events <ul style="list-style-type: none">o Bangladesh Flood of 2004o Pakistan Earthquake	Dilruba Haider Angelika Planitz
	Session Summary	Sanny Jegillos

15:00 – 17:00 Session 4: Asia: Future Disaster Scenarios and Needs for Recovery

Discussion on a few scenario disasters

What kind of surge capacity might be needed to deal with early recovery issues after these scenarios disasters?

What kind of capacity building/ orientation of COs do we need to get involved in? How wil the process devolve from the regional to national and sub-national levels?

DAY 2: FRIDAY, MARCH 31: PLANNING A WAY FORWARD

9:00 – 12:00 Session 5: Mapping Surge Capacities and Competencies Needed (10:30 – 10:45 Coffee Break)

Existing capacities within UNDP and among our partners

New competencies required and how they might be developed over time

12:00 – 13:00 Lunch

13:00 – 14:45 Session 6: Learning and Training Concepts for Developing Surge Capacity

14:45 – 15:00 Coffee Break

15:00 – 17:00 Session 7: Conclusions and Immediate Next Steps
