**Workshop objectives:**

- Initiate a public-private dialogue on how to stimulate the involvement of the private sector in climate change mitigation actions;
- Discuss experiences in private sector participation on mitigation actions;
- Engage various actors in a discussion on policy objectives and innovative approaches to support nationally appropriate mitigation actions; and
- Exchange lessons learned on improving market conditions to enhance private investment.

### DAY 1: Tuesday, 3 November

#### THE FUNDAMENTALS OF ENGAGING PRIVATE SECTOR IN CLIMATE CHANGE MITIGATION: CHALLENGES, OPPORTUNITIES AND THE BARRIERS TO INVESTMENT
