

- Goal: align **German climate finance** towards implementation of NDCs and related SDGs
- German climate commitment: 2.7 billion EUR in 2015, 4 billion EUR by 2020
- Regional distribution of **bilateral** climate finance: Africa 46 %
- Cooperation with and support of **multilateral** climate finance: GCF, GEF, LDCF, SCCF
- **Regional and global initiatives**: AREI, InsuResilience, NDC Partnership
- Important **partners for collaboration**: private sector, local authorities, civil society
- **NDC support by GIZ** takes place in the context of global and bilateral programmes:
  - **Global**: NDC Assist, Climate Policy Support Programme, CF Ready (BMZ); Support Project for the Implementation of the Paris Agreement (SPA) (BMUB)
  - **Bilateral**: e.g. in Morocco: Environmental and climate governance; Development of a climate protection and adaptation center (4C)
