

# ORGANISATION OF EASTERN CARIBBEAN STATES (OECS)

## Sustainable Energy and NDC Implementation in the Caribbean

# NDCs provide Additional Opportunities

- Energy major focus of NDCs
- Energy is crosscutting
- Mitigation and Adaptation
- Areas  
Renewable Energy,  
Energy Efficiency  
Transportation

# Synergies and Partnerships

- National sectoral coordination and collaboration
- Public sector policies, planning and financing
- Engagement of the private sector
- Integrated Resource Planning

# Creating the Enabling Environment

- Effective Information Sharing and Communication
- Legislation
- Capacity Building
- Financing

# How we go forward?

- Strategic
- Innovative
- Committed
  
- Specific Plans e.g Nationally Determined Contribution Financing Initiative
