TRAVEL AND DAILY SUBSISTENCE ALLOWANCE (DSA)

We are pleased to inform you that funding is available to cover the travel costs of sponsored participants, including an economy-class airline ticket, Daily Subsistence Allowance (DSA) and terminal expenses for the duration of the workshop in accordance with the UN standard practice.

The DSA for Nairobi, Kenya, is currently US$ 260 per night (as of April 2019). The DSA is to cover lodging, meals and other payments for personal services rendered. It is calculated on the nights the traveler spends at the event from the official arrival day for the event through the conclusion. In this case, the expected arrival is Tuesday, April 23rd and expected departure is Saturday, April 27th, therefore, the DSA will be provided for a total of 4 nights. Please note the DSA described above will take into account the official itinerary, and meals provided during the workshop will be taken into account and deducted. In addition to the DSA, you will receive terminal expenses in the amount of $188.00.

DSA entitlements will be disbursed by bank transfer upon completion of a vendor form and submission of confirmation of bank details in English (e.g. official bank letter/statement). Please note that 80% of the total DSA amount will be transferred to the participant’s bank account (in USD) approximately one week prior to the workshop. Please kindly ensure your bank account accepts USD, otherwise this may result in a delay in receiving your entitlements and unnecessary transaction fees. Please ensure to keep your original boarding passes (outbound and inbound flights) as these may be requested post-workshop. Your remaining 20% DSA entitlements will be processed upon confirmation of your participation in the workshop by the organizers.
If your official itinerary includes a stopover of seven (7) hours or more in duration, you are entitled to reimbursement for meals and accommodation at the stopover point. To receive reimbursement for expenses at the stopover point, you must submit all receipts of expenses incurred to groups.tss@undp.org by 13 May 2019. Total meal expenses cannot exceed the total percentage of the non-accommodation portion of the DSA for the respective location of the stopover. The total expenses (accommodation plus meals) claimed for the stopover point cannot exceed the DSA rate for the locality.

Furthermore, if your itinerary requires you to make an early check-in/late check-out, up to a maximum of 50% of the DSA rate for the locality can be claimed upon submission of the receipt of your hotel payment (including hotel reservation confirmation) to groups.tss@undp.org by 13 May 2019.

Finally, you are also entitled to reimbursement of visa fees (including transit visas) upon submission of all visa-related expense receipts to groups.tss@undp.org by 13 May 2019.

Please note that all receipts of any expenses incurred (stopover, early/late check-in/out or visas) must be submitted to groups.tss@undp.org by 13 May 2019. We can no longer guarantee the reimbursement of such expenses should you submit your receipts beyond this date.

**Note on travel:** Any changes made to the date of departure and/or arrival may incur a fee. Changes for personal reasons are to be paid by the traveler. The co-organizers will not be responsible for costs associated with any changes you may wish to make to your ticket (e.g., upgrading, re-routing or stopover expenses). Please take note prior to your departure of the emergency contact details of the travel agency listed in the last page of this logistics note.

**HEALTH AND VACCINATIONS**

Participants should be up-to-date with routine vaccination courses and boosters before travelling to Kenya. The government of Kenya requires proof of yellow fever vaccination if you are traveling from a country with risk of yellow fever. Please make sure you review the list of [Countries with risk of yellow fever virus (YFV) transmission](http://wwwnc.cdc.gov/travel/destinations/traveler/none/kenya?s_cid=ncezid-dgmq-travel-single-001) and also check here to see if you require a vaccination immediately. Please keep a detailed receipt from the doctor or clinic in order for sponsored participants to be reimbursed for the vaccinations.

Malaria risk exists throughout the year in Kenya; though there is little risk in Nairobi and the highlands, therefore it is advised that you take precautions while travelling out of these areas. Any medical costs incurred during their stay in Kenya shall be borne by the meeting participants. In addition, you may not be able to find all the medication you need while in Kenya. We, therefore, advise you to make a doctor’s appointment and purchase any medication you may need prior to your trip, for example, if you are following a specific course of medical treatment. Kindly note that you may be required to present your prescription to show that the drugs are for personal use only.

**VISA AND ENTRY INFORMATION FOR KENYA**

Participants are responsible for obtaining their own visa (including any transit visas) as needed. Please verify if your country requires an entry visa [here](http://wwwnc.cdc.gov/travel/destinations/traveler/none/kenya?s_cid=ncezid-dgmq-travel-single-001) and the types of visas [here](http://wwwnc.cdc.gov/travel/destinations/traveler/none/kenya?s_cid=ncezid-dgmq-travel-single-001). We strongly advise participants to contact the appropriate embassy/high commission/honorary consulate in their home countries or stationed abroad immediately for more information on visa requirements.

In all cases, please note that you must hold a passport/travel document that is valid for at least six (6) months after your departure date in Kenya. You will have received a personalized invitation letter which may support your visa arrangements if needed.

Visas to enter Kenya can be obtained through the following procedures:

1. **E-Visa online procedure**: Eligible nationalities can complete their application online and pay visa fees on the dedicated website [http://evisa.go.ke/evisa.html](http://evisa.go.ke/evisa.html).
2. **Standard procedure in embassies**: Those not eligible for the e-Visa, or if the type of visa desired cannot be obtained through the e-Visa procedure, can apply for Visa from the nearest Kenya Embassy.
3. **Visa on arrival**: Eligible nationalities who may be issued with a Visa on application and without reference to the Director of Immigration can complete visa formalities upon arrival at JKIA. Travellers' attention is drawn to the fact that the E-visa allows border checks to be passed more quickly, therefore we advise obtaining the visa beforehand.
Please note: Citizens of the following countries require a visa that cannot be obtained online or on arrival at the airport but instead this must be done in advance through a Kenyan Embassy: Afghanistan, Armenia, Azerbaijan, Cameroon, Democratic People’s Republic of Korea, Eritrea, Iraq, Kosovo, Lebanon, Libya, Mali, Palestine, Senegal, Somalia, Syria, Tajikistan. INSURANCE

The dialogue co-organizers are not responsible for medical, accident and travel insurance. It is recommended that international medical insurance be obtained for the period of participation.

SAFETY AND SECURITY

Please take sensible precautions to protect yourself and your belongings, particularly against pickpockets and bag snatchers.

For your own safety, kindly read and follow the following:

● When walking, keep to the main roads and avoid shortcuts down back alleys and the like. However, where possible, take a taxi rather than walking (refer to section with information on recommended taxi services). While in the taxi, always keep your car windows and doors locked or request the driver to do so;

● Ignore street children and people coming up to you in the streets with hard-luck tales. They may be pickpockets or part of an elaborate scam. The best thing to do is just to walk on and ignore them;

● Do not carry large sums of money. Avoid carrying credit cards, wearing expensive jewelry, watches or the like when walking in the street. Wherever possible, please do not walk alone.

Remember, maintain situational awareness at all times
