Key Highlights:
The following information reflects the summary of COVID response of different projects of UNDP as of 28 May, 2020. The report contains the progress of the following projects: HRP, PTIB, a2i, EALG, SFLP, DRRF, SID-CHT, NUPRP, ICBAAR, SWAPNO, LOGIC and Cox’s Sub-office.

Beneficiary Coverage:
A total of 11.12 million people already reached with different support initiatives e.g. awareness, hygiene kits and facilities. The beneficiary coverage is almost 99.7% of the target. The beneficiary coverage includes more than 66 thousand persons with disability.

District Coverage:
While a2i and PTIB’s covers nationwide; ten other projects have the coverage in 19 districts.

Support to Subsistence/ Livelihoods:
HRP, SWAPNO and NUPRP have provided food baskets as part of the emergency support. A total of 23,693 (i.e. around 19% of the target) food baskets have been distributed among the most vulnerable people including dalits, ethnic minorities, trans-gender, and other vulnerable and marginal communities.

In-cash support has been provided to 14,112 beneficiaries by SWAPNO, SFLP, ICBAAR and COX’s Bazar Sub-office project- the coverage is only 13% of the total targeted beneficiary. Subsistence/Livelihood support has been provided to 7,900 beneficiaries by NUPRP project which is 10% of the target in this regard.

Many preventive materials, as given in the following table, have been distributed by a2i, EALG, Cox’s Sub-office, DRRF, SWAPNO, NUPRP and DRRF.
