

Extension and additional funding allocation for the preparatory grant of Equatorial Guinea

Adopted by email on March 19, 2019

EB.2019.02

In light of the submission by FAO on 5 March 2019 of a revised project document titled “Desarrollo del Plan Nacional de Inversión REDD+ (PNI-REDD+) de Guinea Ecuatorial” (*Development of the National REDD+ Investment plan of Equatorial Guinea*), indicating an additional allocation of US\$ 87 500, as well as the financial expenditure of the project, results obtained to date, and the CAFI calendar for 2019,

the CAFI EB approves an extension until **31 December 2019** and a **US\$ 87 500 additional contribution** to the preparatory grant to the Food and Agriculture Organization of the United Nations (FAO) to support the country to

- a. Incorporate suggestions of the CAFI Executive Board on the subsequent and final versions of the NIP-REDD+
- b. Engage in the policy dialogue on the REDD+ NIP between Equatorial Guinea and the members of CAFI’s Executive Board.
