

Risk Management Strategy
Decision adopted at EB 12 in Bonn, Germany

5 April 2019

EB.2019.04

The Executive Board

- adopts the Risk Management Strategy presented during its 12th meeting
- reiterates that the risk dashboard should be updated on an annual basis and asks that a summary of risk and mitigation measures per country is included in the CAFI Fund Annual report.
- will consider how risks can be referred to in future Letters of Intent.
