

DECISION OF THE CAFI EXECUTIVE BOARD MEETING

Risk Dashboard

EB.2019.21

Adopted on 16 October 2019 at EB 14 in Geneva

Considering

- The adoption in April 2019 of the Risk Management Strategy
- The revision of the Risk Dashboard, based on the version presented to the CAFI EB at the end of 2018

the CAFI EB

- endorses the Risk Assessment Dashboard
- recalls the principle of shared responsibility for managing risks, and asks implementing agencies to integrate in their 2019 Annual report how they have responded to the risks assessed for whom they have the prime responsibility that are assessed as “very high”.
