

## Risk Management

Adopted at EB 17 on 13 November 2020

### EB.2020.19

Having considered the updated Risk Dashboard presented at its 17th meeting (EB 17), the Executive Board

- adopts the updated Risk Dashboard presented at EB 17;
- tasks that CAFI Secretariat to undertake the next update of the Risk Dashboard by end April 2021 to align with the timeline of the annual reporting cycle, and requests implementing agencies to use the Risk dashboard categories when reporting risks in their 2020 annual programmes reports;
- decides that the Risk Management Strategy may be shared with external stakeholders when such request is made to the CAFI Secretariat;
- requests the Secretariat to provide a quarterly update of the risk management dashboard to the EB for information and more thorough analysis of political risks and the impacts of the COVID-19.
