

## **INTERNSHIP OPPORTUNITIES WITH UNDP INDIA**

We offer young, outstanding and committed graduates the opportunity to work first-hand with UNDP in India across a range of programmes and projects. UNDP's work in India reflects three broad development contexts: eradicating poverty, structural transformations and building resilience. Below are some of the areas that UNDP India is currently working on:

- Energy, environment and resilience
- Poverty and inclusive growth
- Skilling and livelihoods
- Health and development
- Governance
- Communication
- Procurement
- Human Resources

Interning with UNDP India offers an exciting opportunity to combine analytical and research work with on ground experience, collaborating with government and other partners to support India's development priorities. It provides insights into working in an inter-governmental organisation.

Please note that internships at UNDP India are competitive and only a small number of applicants will be accepted every year. Only successful candidates will be contacted.
