2016 FERM PROJECT
SAFER COMMUNITY DEVELOPMENT PHASE II

7 Target Municipalities
Gračanica; Klokot; Parteš; Ranilug; Shtërpce; Mamusha; and Dragash.

2 Project Outputs:
1. Planning and coordination mechanisms on community safety at central level are improved.
2. Community safety plans developed in target municipalities with specific focus on minorities and women.

Activity Result 1: Priority activities foreseen by Annual Work Plans (AWP) of Community Safety Strategy (CSS) and Community Policing Strategy (CPS) synchronized and implemented.

Activity Result 2: Community Safety Plans drafted and approved in target municipalities.

Planning process

Situation Analyses
