Ministry of Energy Water Resource and Irrigation (MoEWRI)
Alternative Energy Promotion Centre (AEPC)
Renewable Energy for Rural Livelihood

**RENEWABLE ENERGY AND SDGs**

**Goal 1: No Poverty**
- Ensure water availability through Watershed Management & Climate Proofing
- Encourage Fuel Switching from firewood to electricity
- Ensure Water availability
- Energy for Value Addition through Productive Uses
- Assist Benefit Renewable Energy Technicians

**Goal 2: Zero Hunger**
- Water for Irrigation and clean drinking water
- Food Processing & Storage facilities
- Promote Women as energy producers and consumers
- Women Led RE Powered Enterprises
- Foster GESI Sensi-give Renewable Energy Development

**Goal 3: Good Health and Well-being**
- Water & Space heating for comfortable living
- Operation of Medical Equipment and storage for vaccines
- Access to Tele Medicine
- Research and Development for Technology Adaptation & Field Testing

**Goal 4: Quality Education**
- Improve access to Technical & Vocational Education
- Opportunities for Distance learning
- Promote Women in energy production and consumer
- Opportunities for Distance learning

**Goal 5: Gender Equality**
- Zero Hunger and Hygiene reduction
- Increase Access to Information
- Fuel Saving & Drudgery Reduction
- GESI Sensi-give Renewable Energy Development
- Energy for Value Addition through Productive Uses

**Goal 6: Clean Water and Sanitation**
- Water Pumping & Treatment Plants
- Access to Clean Water
- Promote Renewable Energy Financing
- Innovate ways and schemes for Multiple uses of Water

**Goal 7: Affordable and Clean Energy**
- Reduce Inequalities
- Energy Efficiency for Enterprises & Employment
- Employment Generation
- Access to Clean Water
- Promote Renewable Energy Financing

**Goal 8: Decent Work and Economic Growth**
- Women Led RE Powered Enterprises
- Opportunities for Distance learning
- GESI Sensi-give Renewable Energy Development
- Energy for Value Addition through Productive Uses

**Goal 9: Industry, Innovation and Infrastructure**
- Zero Hunger and Hygiene reduction
- Increase Access to Information
- Fuel Saving & Drudgery Reduction
- GESI Sensi-give Renewable Energy Development
- Energy for Value Addition through Productive Uses

**Goal 10: Reduced Inequality**
- Women Led RE Powered Enterprises
- Opportunities for Distance learning
- GESI Sensi-give Renewable Energy Development
- Energy for Value Addition through Productive Uses

**Goal 11: Sustainable Cities and Communities**
- Participate in the formulation of policies, regulations and guidelines for energy and water sector
- Access to Clean Water
- Women Led RE Powered Enterprises
- Opportunities for Distance learning

**Goal 12: Responsible Consumption and Production**
- Participate in the formulation of policies, regulations and guidelines for energy and water sector
- Access to Clean Water
- Women Led RE Powered Enterprises
- Opportunities for Distance learning

**Goal 13: Climate Action**
- Participate in the formulation of policies, regulations and guidelines for energy and water sector
- Access to Clean Water
- Women Led RE Powered Enterprises
- Opportunities for Distance learning

**Goal 14: Life Below Water**
- Participate in the formulation of policies, regulations and guidelines for energy and water sector
- Access to Clean Water
- Women Led RE Powered Enterprises
- Opportunities for Distance learning

**Goal 15: Life on Land**
- Participate in the formulation of policies, regulations and guidelines for energy and water sector
- Access to Clean Water
- Women Led RE Powered Enterprises
- Opportunities for Distance learning

**Goal 16: Peace and Justice Strong Institutions**
- Participate in the formulation of policies, regulations and guidelines for energy and water sector
- Access to Clean Water
- Women Led RE Powered Enterprises
- Opportunities for Distance learning

**Goal 17: Partnerships for the Goal**
- Participate in the formulation of policies, regulations and guidelines for energy and water sector
- Access to Clean Water
- Women Led RE Powered Enterprises
- Opportunities for Distance learning

**Goal 18: Partnerships for the Goal**
- Participate in the formulation of policies, regulations and guidelines for energy and water sector
- Access to Clean Water
- Women Led RE Powered Enterprises
- Opportunities for Distance learning

**Goal 19: Industry, Innovation and Infrastructure**
- Participate in the formulation of policies, regulations and guidelines for energy and water sector
- Access to Clean Water
- Women Led RE Powered Enterprises
- Opportunities for Distance learning

**Goal 20: Partnerships for the Goal**
- Participate in the formulation of policies, regulations and guidelines for energy and water sector
- Access to Clean Water
- Women Led RE Powered Enterprises
- Opportunities for Distance learning

**Goal 21: Peace and Justice Strong Institutions**
- Participate in the formulation of policies, regulations and guidelines for energy and water sector
- Access to Clean Water
- Women Led RE Powered Enterprises
- Opportunities for Distance learning

**Goal 22: Life on Land**
- Participate in the formulation of policies, regulations and guidelines for energy and water sector
- Access to Clean Water
- Women Led RE Powered Enterprises
- Opportunities for Distance learning

**Goal 23: Life Below Water**
- Participate in the formulation of policies, regulations and guidelines for energy and water sector
- Access to Clean Water
- Women Led RE Powered Enterprises
- Opportunities for Distance learning

**Goal 24: Partnerships for the Goal**
- Participate in the formulation of policies, regulations and guidelines for energy and water sector
- Access to Clean Water
- Women Led RE Powered Enterprises
- Opportunities for Distance learning

**Goal 25: Industry, Innovation and Infrastructure**
- Participate in the formulation of policies, regulations and guidelines for energy and water sector
- Access to Clean Water
- Women Led RE Powered Enterprises
- Opportunities for Distance learning

**Goal 26: Partnerships for the Goal**
- Participate in the formulation of policies, regulations and guidelines for energy and water sector
- Access to Clean Water
- Women Led RE Powered Enterprises
- Opportunities for Distance learning

**Goal 27: Industry, Innovation and Infrastructure**
- Participate in the formulation of policies, regulations and guidelines for energy and water sector
- Access to Clean Water
- Women Led RE Powered Enterprises
- Opportunities for Distance learning
