ILO DWCP for MOLDOVA
2016-2020

Ala Lipciu, NC MDA
Decent Work Outlook

- Macroeconomic instability;
- Growth and employment deficit;
- Human capital erosion;
- Decent work deficiency
COOPERATION FRAMEWORK APPROACH

- Local ownership;
- Resonance with RM & UN agendas;
- Flexible framework
Promoting employment and an enabling environment for sustainable enterprises;

Strengthening capacity of government institutions and social partners for effective social dialogue;

Enhanced social protection and conditions of work.
PRIORITY 1. Promoting employment and an enabling environment for sustainable enterprises;

- Improved legal and regulatory framework for enterprise development;

- Improved human resources development and employment policies;

- Strengthened labour market information system and labour market available skills in line with international standards on labour statistics.
PRIORITY 2. Strengthening capacity of government institutions and social partners for effective social dialogue:

- Advanced legal and institutional framework for social dialogue at national, local and sectoral levels;
- Developed mechanisms for consultation and collective bargaining;
- Enhanced effectiveness of the labour inspectorate;
- Improved capacity of social partners.
PRIORITY 3. Enhanced social protection and conditions of work:

- Wage and income policies promoting equal opportunities are developed and implemented;
- Reformed social security system to improve the adequacy, sustainability, compliance and coverage;
- Improved legal framework for prevention and compensation of work accidents and occupational diseases.
Tripartite DWCP board;
