YOU ARE INVITED:

61st Session of Commission on the Status of Women Side Event:
Women’s Leadership in Public Administration: The Impact on Sustainable Development and Sustaining Peace

WHEN:  Monday March 20 2017
10:00 AM-11:15 AM
WHERE:  Conference Room A
UN Headquarters

To RSVP (required for all non-UN pass holders) please email gepa@undp.org

This event will serve as a platform to explore how to harvest evidence that demonstrates the positive impact of women’s leadership in public service. The following themes will be particularly discussed as avenues for building the initial evidence base: (i) peacebuilding; (ii) environmental governance; and (iii) public service-delivery. UNDP GEPA will be undertaking intensive research around these 3 areas in 2017.

• Lesley Connolly, Policy Analyst, International Peace Institute
• Sherri Goodman, Wilson Center Senior Fellow and former Deputy Undersecretary for Environmental Security
• Kweilin Ellingrund, Partner and Leader of McKinsey’s Closing the Global Gender Gap Initiative
