UNDP’S ROSTERS FOR CRISIS RESPONSE

The available deployment mechanisms are: **EXPRES ROSTER** (vetted consultants), **SURGE** (deployment of staff) and **STAND BY PARTNERS ORGANIZATIONS**. The total deployable capacity is **2,597**.

**MECHANISM**

193 SURGE Advisors

SURGE Advisors are UNDP staff with extensive technical and crisis experience with skills in immediate crisis response including technical/managerial, analytical and communications skills. Deployments are generally from one week to three months.

2,404 ExpRes roster capacity

The Experts Roster for Rapid Response (ExpRes) is a consultant deployment mechanism which maintains pre-vetted consultants for quick support to UNDP Country Offices. The primary purpose of this roster has been to deploy Crisis Prevention and Recovery (CPR) technical experts in the aftermath of a crisis, for recovery, prevention and for CPR Programming.
