EU/UNDP Project “Enhancement of Living Standards in Karakalpakstan and Namangan”

ELS activities on Donor Coordination
Aid Coordination and Analytical Unit (ACAU) is providing assistance in implementation of I-Component, including:

- Networking between Government, Donor Organizations and CSO/CBOs;
- Coordination and analysis of donor activities in Karakalpakstan;
- Maintenance of Development Assistance Database (collect, verify and update of data);
- Assist in preparation of poverty maps.
Linkage of ACAU with RDS development

- Provide assistance in Development of Strategies;
- Data Collection for Strategies (inclusive of logistic support);
- Participatory Approach (town meeting, dialogue, workshop);
- Networking (Technical Working Group);
Linkage of ACAU with RDS development

- Networking of CSOs/NGOs;
- Identify Districts, Communities;
- Instruction on GIS Mapping;
- Consult Public Work Sites;
- Liaison Function, and
- Regular Meetings with Government
Results

- Problems trees for RDSs and LDPs
- Draft assessments on the living standards for RDSs and LDPs
- Initial draft of the strategy (emphasis on living standards assessment, problems and solutions)
- Initial draft of the structure of communities’ development plans
