JAPAN & UNDP FOR MALDIVES

OUR STORY SO FAR

FOSTERING DEVELOPMENT ACROSS THE MALDIVES

Japan and UNDP Maldives' partnership has allowed for an effective and efficient response throughout the decades to address and make impacts across a broad spectrum of development initiatives for the Maldives: from livelihoods, human development and well-being, and governance, justice, peacebuilding and human rights to fighting climate change.

7 SCHOOLS

4000 STUDENTS

participated in the
TSUNAMI DRILLS

OUR WORK

FUNDING

USD 8,191,699 IN 2022

I'd like to cultivate organic produce from my urban farm - both as a source of income and wholesome food for my family. As I have been practicing traditional medicine at my own clinic, I hope to grow different medicinal plants here too.

ZULFA ALI, URBAN FARMER
