

MAKING SDGs HAPPEN

UNDP India Actions to Localize the SDGs

SDGs @ NITI Aayog

Promoting data driven decision making

- First ever SDG District Index for North eastern States
- India's first National Multidimensional Poverty Index for all states and districts

Capacity development support to state governments.

Facilitating **advisory support** to State governments.

SDGs @ District, Sub-District

Local level plans aligned to SDGs.

District Indicator Framework to track progress on SDGs.

District Profiles to inform status of achievement on SDGs.

Coordination mechanisms in place to drive integrated planning and implementation.

Technical Support and Aspirational District Programme

SDGs @ State Government

Vision documents to align SDGs with planning frameworks.

State Indicator Framework to track progress on SDGs in collaboration with Ministry of Statistics and Programme Implementation (MoSPI).

Output-Outcome frameworks to track budgetary allocations to SDGs.

SDG Bonds to promote Sustainable Financing.

Capacity development towards institutionalisation of SDGs

Coordinating with other partners including UN agencies

SDGCC
SUSTAINABLE DEVELOPMENT GOALS
COORDINATION CENTRE

SDGs @ Private Sector

Addressing funding gap by connecting government, private sector and CSOs through Akanksha Platform. USD 34.5 M (Rs.270 crores) mobilized.

Established **SDG Finance Facility** platform, bringing together stakeholders for collaborating on financing instruments and contributing to policy discourse.

Created **SDG Investor Map**, highlighting 18 investment opportunity areas across 6 sectors, that can contribute to SDGs while providing attractive returns.

Supported **integrated taxonomy of sustainable activities**, a regulatory framework and a sustainable finance roadmap for India.

SDGs @ Community

SDG First Platform to connect stakeholders for dialogue on policy, sustainable activities, and innovations to achieve SDGs.

SDG Action Awards to recognise individuals, organizations, Govt. Departments, academia and media, leading innovative actions on SDGs.

SDG Centre for Youth an initiative to drive awareness of SDGs amongst academia & youth.

SDG Innovation Participatory Action Research Initiative to demonstrate innovative solutions for fast-tracking the achievement of priority SDGs.

MAKING SDGs HAPPEN

SDGCC is UNDP India's Signature Solution to fast track SDG localisation.

SDGCCs are Specialised Project Management Units within State Government departments of Planning, Economics and Statistics or Finance to align the planning process with the SDGs

5 centres
in 5 states

Govt. Funding
7 million USD

Funding Raised
34.5 million USD
