BY AGE

For statistical purposes, the United Nations General Assembly defines youth as between the ages of 15-24, without prejudice to other definitions by Member States. However, since in many countries people below the age of 35 who are active in politics are considered young, the brochure uses a more flexible definition of youth - people between the ages of 21 and 35.

BY ELECTORAL LIST AND POLITICAL AFFILIATION

Beirut 1

| | | |
|-----------------------------------|---|--|
| We are for Beirut | 6 | Lebanese forces, Social Democrat Hunchakian Party |
