Yemen Food Security Response and Resilience Project - September 2023

Funded by the World Bank's International Development Association (IDA), the Yemen Food Security Response and Resilience Project (FSRRP) is implemented by the United Nations Development Programme (UNDP), the Food and Agriculture Organization of the United Nations (FAO), and the World Food Programme.

UNDP's component of FSRRP improves agricultural production infrastructure and builds climate resilience in partnership with the Social Fund for Development (SFD) and the Public Works Project (PWP).

- **13,249** households with improved food security (30% expected to be female-headed)
