

UNITED NATIONS DE VELOPMENT PROGRAMME IN ERITREA

Background

UNDP partners with people at all levels of society worldwide to help build nations that can withstand crises and drive and sustain the kind of growth that improves the quality of life for everyone. In Eritrea, UNDP has remained an important partner of choice and a champion of sustainable development since it started its operations in 1992, assisting to promote and implement sustainable human development solutions and programmes based on national development priorities. The 2022-2026 UNDP Eritrea Country Programme is aligned with the national priorities (2021); guided by the UNDP corporate six signature solutions in the UNDP Strategic Plan (2018-2021) and the renewed Africa Offer; and committed to the principles of gender equality, leave no one behind and reaching those furthest behind first.
