

UNDP AFGHANISTAN

SDGs

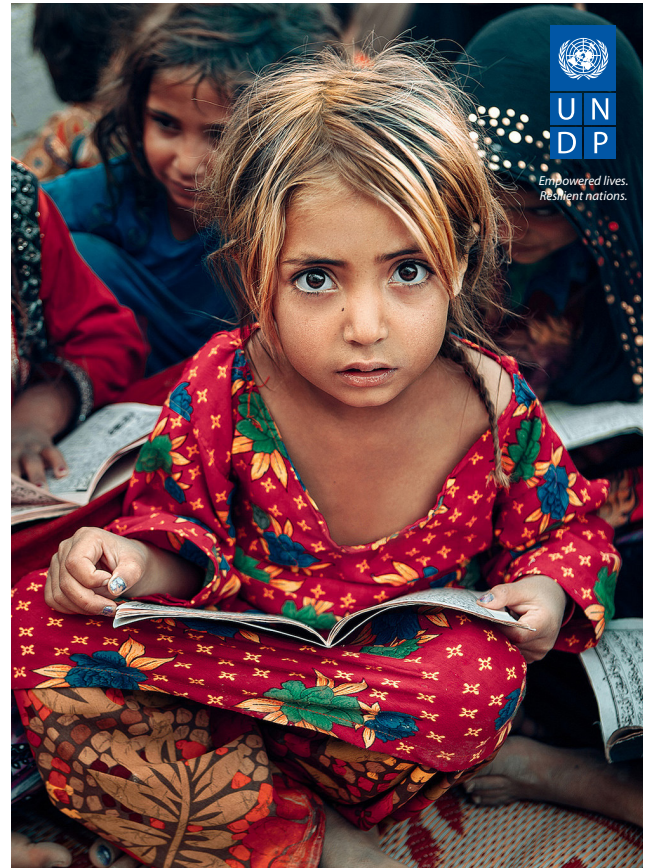

Duration: 05/2016 to 12/2019

Budget: US\$ 1,500,000

Implemented by: Ministry of Economy

Donor: UNDP

Key Partners: Afghanistan CEO office, Ministry of Finance

SUSTAINABLE DEVELOPMENT GOALS

THE ISSUE

SDGs

Global goals must be nationalized for the Afghan context, but:

- 1 Need for institutional capacity support at MOEC as focal point on SDG processes
- 2 Weak coordination structures between government entities
- 3 Shortage of financial resources for SDG implementation
- 4 Existence of different entities on budgeting processes and policy making

UNDP IN ACTION

Support to Afghanistan on SDG nationalization, coordination, planning and monitoring

National Structures

Establishment of National Level SDG Coordination Committees, with membership of UN agencies and development partners

SDG Nationalization

Formulation and finalization of national SDG goals (16), targets (125) and indicators (190)

SDG Alignment

Alignment of nationalized SDGs with national development plans

SDG Monitoring System

Development of SDG monitoring mechanism institutionalized within MOEC

UNDP experience in Afghanistan

The SDG project builds on 50 years of experience in supporting Afghanistan's efforts towards peace and development, including:

MDGs

Technical assistance in achieving the Millennium Development Goals by 2020

Attitudes

Promotion of human rights and gender equality and encouragement of creation of livelihoods opportunities for Afghans

Government

Capacity building of government institutions that promote peace and justice for all

The difference we will make

Supported MOEC

to lead on SDG coordination, planning, and monitoring on 16 goals

Established

5 coordination bodies to successfully nationalize 16 SDGs, and align them with national development plans and link them with the budgeting process

Supported more than 20

coordination and consultation meetings for MOEC to strengthen monitoring and evaluation system to effectively monitor, report and undertake advocacy for the SDGs
