

## GLOBAL PROJECT: Supporting an Inclusive and Multi-Sectoral Response to COVID-19 and Addressing its Socio-Economic Impact

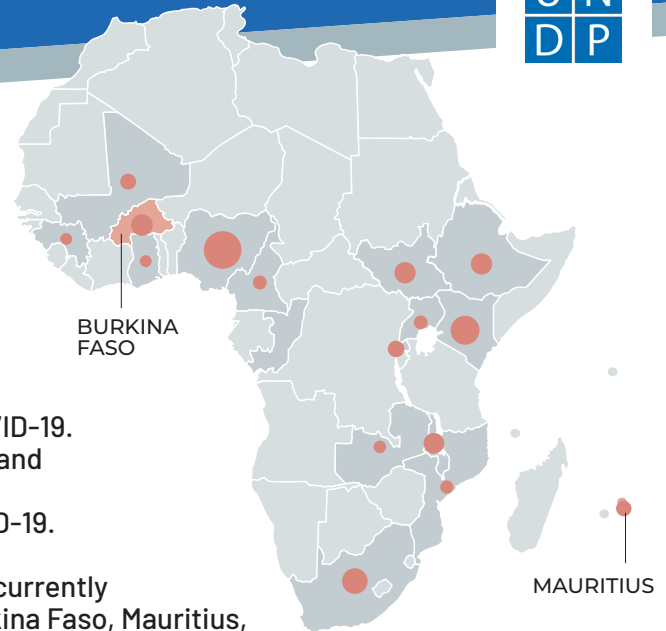

UNDP has been supporting countries since the very early stages of the COVID-19 pandemic crisis, responding to a growing volume of requests from countries to help them prepare for, respond to, and recover from the pandemic,

The three immediate priorities are:

- Health systems strengthening to respond to COVID-19.
- Inclusive and multi-sectoral crisis management and responses; and
- Addressing the Socio-Economic Impact of COVID-19.

The 8 country offices of the Regional Bureau Africa currently implementing Global JSB COVID-19 project are: Burkina Faso, Mauritius, Kenya, Ethiopia, South Africa, Mali, Rwanda, Nigeria
