### BUDGET

Total budget of the ReLOaD project

EUR **10** MILLION

Allocated for ALB

EUR **1.5** MILLION

As a regional initiative, the ReLOaD programme is implemented in Albania, Former Yugoslav Republic of Macedonia, Bosnia and Herzegovina, Montenegro, Kosovo\* and Serbia.

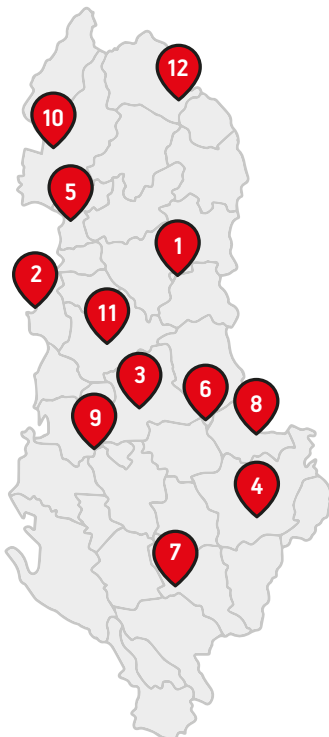

## ABOUT THE PROJECT

ReLOaD builds upon the good practices of the "Reinforcement of Local Democracy" (LOD) project, implemented in Bosnia and Herzegovina by UNDP with the financial support of the EU, which serves as an example of good practice that is now used as a model throughout the Western Balkans.

Given its regional presence, ReLOaD also serves as a platform for networking between the Western Balkans countries/territories, as well as sharing experiences and lessons learned in providing better services to citizens.

# Aim of the ReLOaD project

ReLOaD will enhance the financial mechanisms whereby municipalities will finance civil society organizations in accordance with local development priorities. In this way, the ReLOAD programme, in partnership with local governments across the Western Balkans, will contribute to **increasing the engagement of civil society in decision-making processes and improving the level of service delivery to citizens.**
