LEGEND

1	Number of approved projects depends on the total value of the available funds; projects with highest points are approved for funding until the funds have been exhausted.
2	Only the projects with minimum 50 points are considered for funding. * Projects with the budget of above EUR 10,000.00 have to score minimum 75 points in the evaluation process.
3	Second threshold – project is excluded from the further process, if the relevance of the project is insufficiently evaluated.
4	First threshold – project is excluded from the further process, if the financial and operational capacities of the applicant are insufficiently evaluated.
5	Projects that do not satisfy technical criteria are disqualified from the process.
