# Beautiful Basra Design Competition

Under the programme  
*Supporting Recovery and Stability in Iraq through Local Development*

The programme *Supporting Recovery and Stability in Iraq through Local Development*, funded by the European Union (EU) and implemented by the United Nations Development Programme (UNDP), is seeking innovative designs for the rehabilitation of a public park site that will spread on 20.000 square meters in the heart of Basra.

**University students and recent graduates** in different fields, including engineering, architecture, arts, agriculture and science, are invited to participate in a competition to gather feasible, modern and creative proposals, individually or in teams.

## Requirements

The 3D version of the site, showing the project and the disposition of its elements, giving a special attention to creating a safe and children-friendly environment, respectful of the environment, the local culture and economy.

The deadline for submitting the projects is **30 November 2019**.  
Email to: [3gl.iraq@undp.org](mailto:3gl.iraq@undp.org).

## Design your future public space!

### Site Units

#### Covered pathways

Renewable energy facilities can be included, along with the use of recycled materials.

#### Fountains

Should use energy and water-efficient systems.

#### Kids playground

- Shaded and accessible for children with disabilities.
- Separated according to different age groups.
- Intellectually stimulating, and built with durable and safe materials.

#### Fishing corniche

On the Shatt Al-Arab river, with safety measures.

#### Park management cabin office

Enabling on-site management, maintenance, safety and security of the facilities and visitors.

#### "Shanasheel" shade

An old-style shade with coffee and craft-shops.

#### Benches/Sitting area

They can be innovative in their form, include energy-efficient and recycled material.

#### Restroom facilities

Easy to maintain and friendly to people with disabilities.

#### Boat/Bike renting shop

To allow the use of old Marshes style boats.

#### Outdoor gym

#### Soccer and basketball field

Soccer field size: 5-A (36.5m x 27.5m).  
Basketball field size: 25.6m x 15.2m.

#### Plants and watering system

Locally grown plants that can withstand the heat and a watering system.

#### Wall for street art
