## WHO WE ARE

**UNDP is the leading United Nations organization** fighting to end the injustice of poverty, inequality, and climate change. Working with our broad network of experts and partners in 170 countries, we help nations to build integrated, lasting solutions for people and planet.

## FOCUS AREAS

### 1. Sustainable Development

UNDP partners with countries to find their own paths towards sustainable development, seeking to simultaneously reduce poverty and inequality.

### 2. Democratic Governance

UNDP seeks to deepen democracy by strengthening national and local capacity for increasing citizens' safety and security and access to justice with due regard for the human rights for all, including vulnerable groups.

### 3. Crisis Prevention & Recovery

UNDP works with governments to improve Climate Change adaptation and mitigation, with a focus on building resilience. UNDP also works with stakeholders to reduce disaster risks and is also at the forefront of early recovery from disasters following major crisis events.

**In all activities, UNDP encourages protection of human rights and gender equality**

## HOW WE WORK

We offer Governments and civil society groups six **Signature Solutions** to national development challenges. These solutions are designed to be flexible and can be tailored to specific country needs and demands.

**Signature Solution 1:** Keep people out of poverty

**Signature Solution 2:** Strengthen effective, accountable and inclusive governance

**Signature Solution 3:** Enhance prevention and recovery for resilient societies

**Signature Solution 4:** Promote nature-based solutions for a sustainable planet

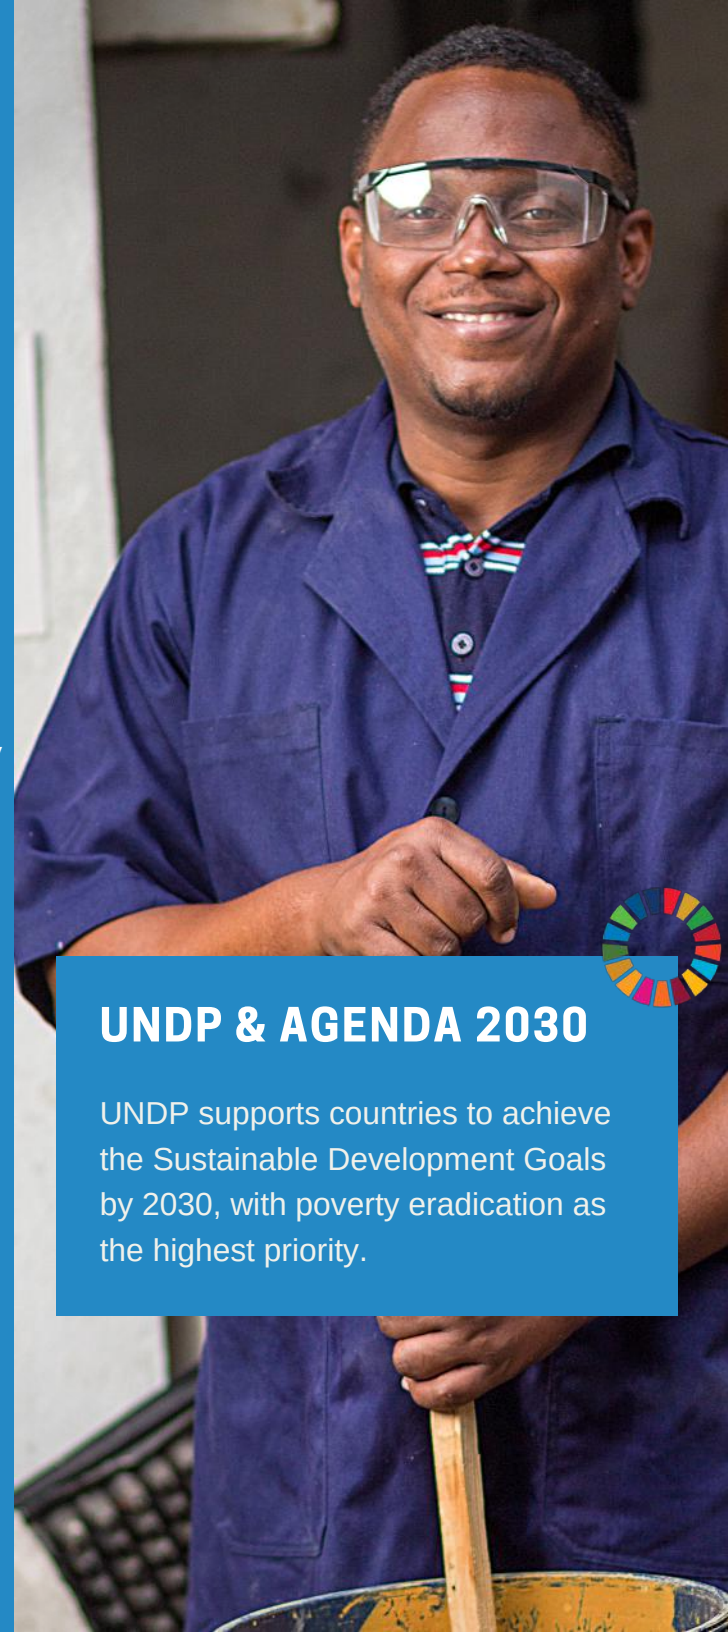

**Signature Solution 5:** Close the energy gap

**Signature Solution 6:** Strengthen Gender Equality

## THE KIND OF PROJECTS WE SUPPORT

**Snapshots of some projects supported by UNDP Multi Country Office in Jamaica**

- 1 Restoring police citizen relations and supporting residents to undertake income-generating activities
2. Harvesting underground water and making it available to under-served communities
- 3 Renewable energy and energy efficiency solutions for communities and government
4. Capacity building to enhance the justice sector
5. Localizing the Sustainable Development Goals through support for capacity building, planning, monitoring and evaluation
6. Building resilience to crisis, as well as supporting crisis and disaster recovery

## UNDP & AGENDA 2030

UNDP supports countries to achieve the Sustainable Development Goals by 2030, with poverty eradication as the highest priority.
