Overall governance in Africa

Our goal

A map of Africa is shown with various countries colored in shades of green, yellow, orange, and red. A blue callout box with rounded corners is positioned over the top-left part of the map, containing the text 'Our goal' in green. The map uses a color gradient where darker shades (red and dark green) are used for specific countries, while lighter shades (yellow and light green) cover most of the continent.

comprehensive coverage in Africa
with high quality service

A large blue callout box with rounded corners is positioned at the bottom of the map, containing the text 'comprehensive coverage in Africa with high quality service' in green. The map behind it shows the same color-coded countries as the previous image.
