

MAPPING UNDP'S RESULTS AROUND THE WORLD, 2009

HIGHLIGHTS OF RESULTS FOR SPECIFIC UNDP PROGRAMMES ACHIEVED IN 2009

- = National MDG reports supported by UNDP
- = Electoral support
- = Strengthening parliaments
- = Building back better after crisis and disaster
- = Reduction of CO₂ levels through mitigation efforts
- = Support for adaptation to climate change

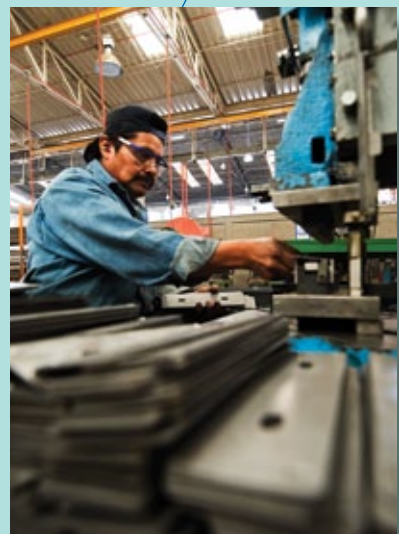

Morocco: Zineb Oumjhd is president of a basketry cooperative in the south, part of a poverty reduction programme there.

Georgia: Farmers are benefiting from a new processing plant that ensures a safe working environment.

Laos: A programme that supports local radio has increased access to information, especially for vulnerable groups.

Mexico: A programme to strengthen small and medium-sized businesses increased their access to new market technologies.

Sierra Leone: The Open Government Initiative brings high-level elected officials to local town hall meetings.

Botswana: A conservation programme is contributing to the sustainable use of the Okavango Delta.
