Ongoing work to install solar street lights

By the end of third quarter of 2020, the SFL had completed renovation of the library and the cafeteria at Ubari University and the Youth Social Center, and was preparing to hand them over to the end users. The educational institution hosts 3,000 students from Ubari and neighbouring cities. Installation of a 11 km solar street light system was ongoing during the monitored period.

Rehabilitation works related to National Legal Training Centre at Ubari University was due to start soon.

Some activities in the pipeline included proposed works related to rehabilitation of men's dormitory at Ubari University, and other works at Ubari Main Entrance Roundabout and Ubari Civil Airport parts.
