RIGHTS, EMPOWERMENT AND COHESION (REACH) FOR RURAL AND URBAN FIJIANS PROJECT

#FijiREACH

From
the People of Japan

Empowered lives.
Resilient nations.

The REACH Project

Aims to promote peace building, social cohesion and inclusiveness. Project conducts awareness raising of the social, economic and legal rights enshrined in the Constitution of the Republic of Fiji, provides access to the services associated with these rights, and also strengthens institutional capacity to deliver these services. A mobile service delivery approach is undertaken to reach communities throughout all of Fiji with the focus to reach the furthest behind first.

Sustainable Development Goals

The REACH Project supports the achievement of Goal 16 which is commitment to promoting peaceful and inclusive societies for sustainable development, provide access to justice for all and build effective, accountable and inclusive institutions at all levels; and Goal 5 which is commitment to achieving gender equality and empowerment of all women and girls.
