

## Strengthening Electoral and Legislative Processes

The Strengthening Electoral and Legislative Processes (SELP) project seeks to develop more inclusive, and accountable democratic institutions, systems, and processes in Pakistan. It improves the supply side of governance by enhancing the capacity of the Election Commission of Pakistan (ECP), the Senate and Provincial Assemblies of Khyber Pakhtunkhwa and Balochistan, in addition to working with the Pakistan Institute for Parliamentary Services (PIPS). Moreover, it supports the demand side by developing the capacity of civil society in advocacy and civic engagement. Increasing the representation of women, youth, minorities, transgender, and persons with disabilities, informs all aspects of programming.

The project is structured around three key strands: providing electoral cycle support to the ECP,
