Very good information to help my business

This was particularly useful. Gave different perspective and thinking points.

How would you rate your overall ability to manage an efficient and sustainable business enterprise?

How would you rate your overall ability to create an effective and compelling proposal and pitch to secure funding for your business or product concept?

General feelings

Cant really think of any negative comments.  
The sessions were very helpful to me.

It was a relatively short timeline to prepare for the competition.

The length of the sessions

Time frame. I felt a bit rushed.

was hectic

The date scheduled and the time pockets

Not many complaints. It was at times difficult to schedule my time for meetings

IP discussions

response to email

Please provide any other comments that you have for us (e.g. If there anything you wished we included? Is there anything you wish we would have done differently? Will you do differently because of this Boot Camp?, etc.)

my team missed a few sessions because the link was not always emailed, I believe the link was also shared in a group platform but we were not aware as we initially were receiving links via email, we therefore missed out on valuable sessions- IP in particular

It was great and helpful and more importantly succinct and applicable

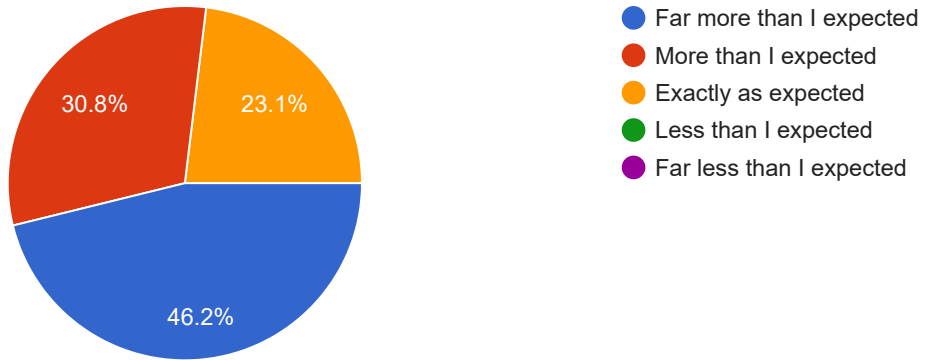

Case studies appropriate to our locale

I would suggest that the feedback forms be provided after the sessions.
