

# COVID-19 FACTSHEET

October 2020

**+1,400,000\***

Helping communities cope with COVID-19

In all Governorates across Yemen

Beneficiaries

\*September 2020

## Covid-19 Community Outreach

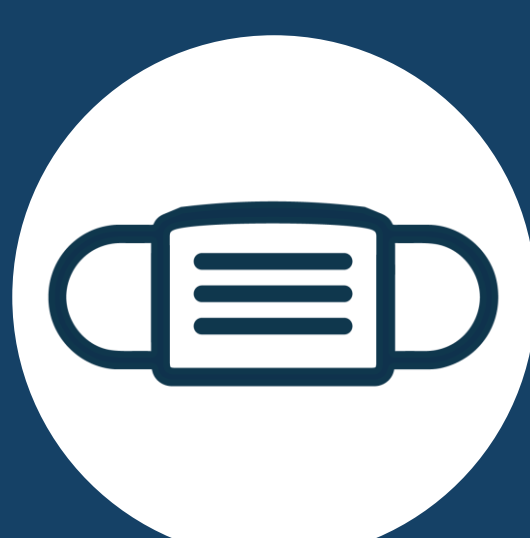

UNDP Yemen's Rule of Law Programme launched an **awareness raising video** targeting Yemeni families as they prepare for their children to return to school

## Micro, Small, and Medium Enterprise Support

**104** litres of liquid hand soap produced

**2,600** non-surgical masks ordered by the Aden Ministry of Health

In total, UNDP-supported MSMEs have produced **52,600 non-surgical masks**, **300 hospital gowns** and **154 litres of liquid soap**, with a revenue of over **YER 8.9 million (US\$ 14,800)**

## Economic and Livelihood Support

### SUCCESS STORY

Meet Ikhlas, a sewing graduate from UNDP's **Yemen Livelihood and Human Security (YLHS)** skills training project.

Together with nine other women in Tor Al-Baha, they have sewn **over 5,000 face masks** for use in local healthcare facilities and government institutions.

Read her **full story**.

## Health System Support through Engaging Private Sector

Through the UNDP COVID-19 Emergency Response and Recovery project, Al Kuraimi Islamic Microfinance Bank will fund the following activities:

Increase Aden's healthcare waste management

Provide PPE and incentives for Aden health workers

Support an incentive programme for Hodeidah and Sana'a health workers

Provide PPE to Taiz health workers and improve the transportation of test samples
